

New team members needed!

At the moment we are looking for new candidates who would be interested in cooperating with us. We receive quite a high volume of work every month, averaging at about 1,900 hours per year.

Description of the cooperation we offer:

Layout and content formatting services of different files **for CAT tools purposes**.

The files are in various formats (i.e. PDF, Microsoft Word, Excel, PowerPoint) and supposed to be converted/edited for translation purposes (i.e. to making them compatible with CAT tools).

With every inquiry you would receive a time frame from us (we pay per hour) and a deadline.

Long-term cooperation (freelance job).

Knowledge of English required (to understand the assignment).

Still interested?

We prepared an admission test which will help us evaluate if you are the right candidate for this project. Also, it is an opportunity for you to decide if you are interested in this project and would like to be a part of our team.

Please see the **Test** and all instructions for it [here](#).

Thank you!
